

# Wolfville Curling Club

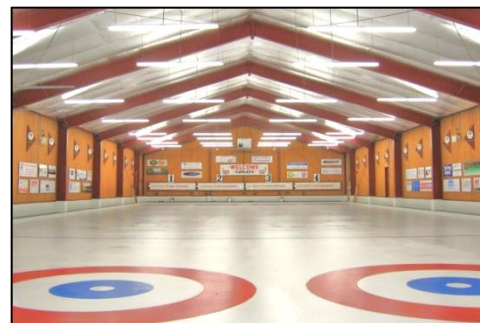

## *NEWSLETTER*

October 15, 2010

VOL 1, NO.1

Your Executive has already been hard at work getting things ready for the start of Curling in this 75<sup>th</sup> year of the Wolfville Curling Club.

Right away you'll notice the change in the ice shed. New insulation and new lighting, too - all of which adds up to improved temperature control and better visibility. These two features, although they had an up-front cost, will actually bring a marked reduction to our hydro bills for years to come. In fact, it is projected that the entire cost of the work will be recovered by the amount saved - in just a little over one year. We're sure you're going to enjoy curling in this new improved rink.

### THANKS

To Darrell Anderson, who organized the clean-up at the end of September and to all who helped in the painting, dusting sweeping, cleaning glass, moving the fridge, throwing out junk, and generally putting a fresh face on all the club facilities.

### 75<sup>th</sup> Anniversary

Quite a few "special events" are being planned to help celebrate our Anniversary year. The first of these is the introduction of our new logo, for which a contest was held and an announcement is now close to completion. Many other anniversary events will also unfold as the year goes on. But of course a number of ordinary occasions are already on the calendar.

### Semi-Annual Meeting - October 21 at 7:15pm

Plan to attend our Semi-Annual Meeting, held in the club. One of the highlights will be the unveiling of the new logo and the announcement of the contest winner.

### Learn-to-Curl Clinics – [Flyers distributed by mail to every household]

|   |                      |          |
|---|----------------------|----------|
| There will be two of these early in the year: | Friday, October 22   | 7 to 9pm |
|   | Saturday, October 23 | 1 to 3pm |

We hope to attract more members. So if you know people who want to start learning, be sure to pass the word around. Or if you need to sharpen your skills with a bit of review before the season gets going - these are for you. The first opportunity for early practice - ALL FREE OF CHARGE.

**Open House - Saturday, October 23, 3:00 to 5:00pm**

After the Saturday clinic ALL MEMBERS are invited to an Open House at the club. Informal. Drop-in. Re-acquaint with curling buddies, meet new members, get a jump-start on signing up for the curling schedules. So if you are not already at the clinic, come on down to the club Saturday afternoon. See you there.

**Wine-Tasting and Dance - Friday, Nov 5, 7:30pm**

Here's a great way to start off our Anniversary Year! Highlighting wines, Foxhill Cheese and music, all with a local flavour. Learn more about the increasing number of widely-acclaimed wines and superb cheeses that are produced locally. Let your taste buds select your new favourites. Then about **9 o'clock**, get ready to start dancing to the music of "Men Will Be Boys". Plan a get-together with your friends - they don't have to be curlers [yet] to enjoy this one. **\$10.00 a person**. Cheap at twice the price. Interested? Contact Audrey 679-1395 or [adorey@eastlink.ca](mailto:adorey@eastlink.ca)

**VOLUNTEERS**

In the interests of making curling available at the most reasonable of rates, our club has relied heavily on the voluntary efforts of many individuals. This year, we are still short a **Chairperson for Publicity**. It's an important function, particularly in this Anniversary Year. It's all about involving the wider community and making sure they know about us. So if you have that knack, or think you might like to try it on, WELL - now's the time to "take one" for the club, so to speak. Check it out by talking to any member of the Executive.
